

NO SCHOOL FRIDAY 10/10 & 10/17

www.sombradelmonte.org

Our Mission – Working hand in hand with our families and diverse community, Sombra del Monte is committed to the nurturing of our students as they learn. Our common goal is to guide the whole child on his or her journey to develop into an inquisitive, actively engaged and valued member of society.

Up, Up and Away...

Thank you to balloon pilot Murray Conrad for launching his balloon at Sombra! Everyone had a great time! We would also like to thank all the community and the Sombra PFO for participating in this event.

NAEP TESTING...

The Public Education Department will be testing fourth graders on October 30th. Please make sure your fourth grader gets enough sleep and a nice breakfast on this day.

Parent link information system...

We are very excited about the new parent link information system. It has proved to be a very positive addition to APS. All of our lives are so busy and this should help to keep important information such as days off, attendance, snow days, etc. from slipping through our fingers in the whirlwind of life.

Parent Education...

Parent Education classes have begun at Sombra! We hosted a class for first grade parents on October 2nd. Thank you to all that attended. The next class for second grade parents will be on November 19th from 9:00-10:00. Location will be announced at another time.

Please try and join us for great discussions and a lot of information about your child's education! Look for your grade level flyer or information in the newsletter!

Unpredictable weather...

It's that time of year again, will it be warm or cool today. Be sure your children come to school dressed for whatever the day might bring. Be reminded also, our lost and found is located at the north end of the cafeteria, those days that

begin cool and end hot produce a wealth of warmer forgotten items in our lost and found.

PFO News...

**Thank you to everyone who helped make our first ever balloon launch a huge success.

It was wonderful to see so many happy faces so early in the morning.

**The PFO and the Wellness committee will be hosting a Fall Fling on Monday November 3rd from 5:30-7:30pm. Plan on bringing your whole family to enjoy games, food, friends, and a lot of FUN!!! If you are interested in helping out on the planning committee please contact Skye Holly at 271-9084

**The Sally Foster Fundraising items will be delivered to your child's classroom on Wednesday October 9th. If you have questions please call Richard Sanchez at 291-6842.
